International Schools Library Week 2018

This week is International Schools Library Week. The theme this year is 'Why I love my school library.' The students will be taking part in lots of fun activities based around reading as well as getting the opportunity to dress up as a favourite book character on Thursday and hear different stories read by volunteer parents in their class. If you would like to read with your child's class but you have not yet signed up, please speak to the office and they will be happy to arrange a time. Thank you to Ms Evelien for all her hard work organising the events this year.

School Council & Green Team

Congratulations to our new School Council and Green Team. Both were elected in September and they are keen to get on with their new roles. School Council will be firstly focusing on our new playground promises for this year and Green Team will be helping our school become an even greener environment. Well done and we look forward to seeing the new initiatives you put in place this year. Thank you to Ms Bernadette (School Council) and Ms Carrie (Green Team) for their commitment to leading these initiatives this year.

Halloween Parade

On Wednesday 31st October, we are very excited to be holding our annual Halloween parade. All students are invited to dress up in a costume on this day and bring a voluntary contribution of \$1 which will be put towards our annual donation to Angkor Hospital for Children and Kantha Bopha. There will be prizes for the best costumes in Foundation Stage (Nursery to Rec 2) Key Stage One (Year 1 to Year 2) and Key Stage 2 (Yr 3 to Yr 6). Year 6 will be available before school on the day for face painting.

Birthdays

We are very happy to help celebrate children's birthdays in school as we know the children enjoy having fun at this time with their classmates. If you do wish to bring in a cake to celebrate, **please let us know the day before** so that we can contact the class teacher who can arrange a time that will best suit the class timetable.

ISSR promotes healthy snacking. Make sure your child has a healthy snack for snack time.

*We are one,
But we are many.*

Lunch Boxes

Please remember to make sure water bottles, and snack and lunch boxes are labelled with your child's name and class. This makes our job so much easier during snack and lunchtimes. We also have items in the lost property that would have been returned to their correct owner if they had been labelled with the correct name and class. Thanks for your help with this.

Swimming

Swimming will begin after the Pchum Benh holiday. Each teacher has the class timetable for when swimming will be held for their class and a copy of the timetable will be displayed on the parents' noticeboard.

We are looking forward to starting swimming lessons again and using our new pool.

Turning off car engines

Please remember to turn off your engine when collecting your child from school.

An idling engine can produce up to twice as many exhaust emissions as an engine in motion. Exhaust emissions contain a range of air pollutants such as carbon monoxide, nitrogen dioxide, and particulate matter. These can effect the air quality of the surrounding environment and the air we breathe.

Lets protect our children and turn off our engines!

Dear Parents / Guardians,
School is closed from Monday 08th October until Friday 12th October for **Pchum Ben Ceremony**. School starts back on Monday 15th October 2018. Happy national holiday !

Thank you to all the parents who attended our Parent Workshop: Reading with Your Child

2A went out to investigate if they could find any microhabitats in the school grounds, and discover what might live there. They found a few places where minibeasts have decided to make their homes in our school.

Year 6A and 6B went on a very interesting field trip to AHC, Angkor Hospital for Children. The students learned how to properly wash their hands, and what to do with a nose bleed.

Star of the Month

We would like to welcome parents to our next Star of the Month assemblies at 8am on:

Tuesday 6th November- Nursery-Year 1 (R1B performing)

Wednesday 7th November - Year 2-Year 6 (4A performing)

Good News!

After School Clubs will return in January
We'll send out a letter about them soon.
