## What's been happening in 6B

Year 6B

With Miss Carrie  
April 2019

### Literacy

We working on our unit on chronological reports by re-writing the story 'When Jessie came across the sea' from a different point of view. Our next unit is about poetry, we will study the works of Emily Dickinson.

### Maths

This month we will be doing a lot of revision of key areas such as fractions, decimals and algebra. Then we will do a lot of work on how to solve word problems using logic and reasoning.

### Science

We have just finished up our topic about evolution and inheritance.

Our next unit will be an exciting one: Human Reproduction and Relationships. More information on that will follow in a separate letter.

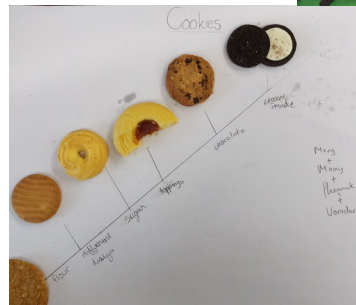

### Topics

We have looked at the Grand Canyon and Mexican Fiestas. Now we are going to explore the Amazon Basin where we are going to investigate the impact of human activity on the natural resources and communities of the region.

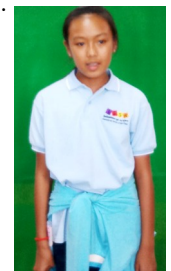

### Sleepover!

The children are excited (and nervous) about the sleepover. As a reminder, they will not go home after school on Thursday April 11th. Please pick them up at the usual time on Friday. If you are willing to donate \$3 to help defray the costs, please send the money with your child as soon as possible.

If you have any other questions about this activity, please send me a message on ClassDojo. Thank you!

Pictures from random activities, including: practicing for ISSR's Got Talent, performing pantomimes in Literacy, making cladograms in science, working with Plickers in Maths on the green screen in ICT.

## Important Information
