

Y6A newsletter

April 2019

Safety

All family members/guardians are reminded to wear an ID Badge at all times while on our ISSR campus, including morning drop off, afternoon pick-up times, and for any meetings/visits. Thanks you for your understanding, as we all work to keep the children at school safe.

Topics

We have looked at the Grand Canyon and Mexican Fiestas. Now we are going to explore the Amazon Basin where we are going to investigate the impact of human activity on the natural resources and communities of the region.

Literacy

We have finished our unit on chronological reports by re-writing the story 'When Jessie came across the sea' from a different point of view. Our next unit is about poetry, where we will study the works of Emily Dickinson.

Science

This week we will finish up our topic about evolution and inheritance. Our next unit will be an exciting one: Human Reproduction and Relationships. More information on that will follow in a separate letter.

Students are rehearsing for ISSR's Got Talent.

Open class morning

All Y6A's parents are welcome to visit our class and see what we are learning about on Friday 5th April 8:00-9:00AM

Birthdays

Please let the office know 24 hours before you plan on bringing treats for your child's class, thank you.

Happy Khmer New Year!

As a final activity on our sleepover, we will have our annual Khmer New Year games with the whole school. Children will have a chance to play some traditional games. After that we will get to enjoy a well deserved break.

Maths

This month we will be doing a lot of revision of key areas such as fractions, decimals and algebra. Then we will do a lot of work on how to solve word problems using logic and reasoning.

Important Dates

11-12 Apr: sleepover
12 April: Khmer New Year games
16-20 Apr: Khmer New Year break- no School
2 May: Star of the Month
10 May: Swimming Gala
