The students and adults have been working very hard on their performances and are looking forward to welcoming you. The Concert will start promptly at 9:00am however, all students should arrive at the normal time of 7:55am. The School day will finish after the performance at around 12:00pm. Assessments and Parents' Meetings

The students have performed well in this round of assessments with many surprising their teachers at how well they did. Thank you to all the parents who made sure their child was in school on time during this very important week of school.

Over the last week, we have been holding our first Parents' Meetings of the school year. Thank you to those parents who made an appointment and turned up on time to discuss their child's progress. Feedback from the teachers was very positive and they were very happy with how the discussions went.

All parents should now have received their child's school report. If you have not been given this, please contact the office who will be able to make you another copy.

ISSR Football Team

On Saturday 30th November 2019, the newly formed ISSR football teams (under 10s & under 12s) participated in the very first Siem Reap Stormers FC Christmas Cup! The competition was really tough, with plenty of footballing talent on show, but both of our teams improved with every game, and can be incredibly proud of their achievements. Well done ISSR teams!

Thanks to Mr Glen for training and supervising each of the teams and Ms Bernadette for helping to supervise the teams on the day.

ISSR promotes healthy snacking. Make sure your child has a healthy snack for snack time.

*We are one,
But we are many.*

After School Clubs

After school clubs have finished but will begin again in January 2020. Please look out for the letter which will go home during the first week back. We have some new clubs on offer, with many of the clubs from Term 1 returning. Thank you to all the teachers who organised a club last term and we look forward to new clubs in the new year.

School Photos 22nd—23rd January

School photos will be taken on 22nd and 23rd January. Please put these dates in your diary and ensure your child is in their correct uniform on these days. PE uniforms will not be worn on either day so all children must come to school in their light blue or red shirt.

Once all photos have been processed, we will contact you so you can purchase if you wish to.

Year 2 had fun learning all about first aid with Mr Greg. A very important skill to master!

Nursery enjoyed learning about tall and short by building very tall towers of blocks!

School Fair

In March, we will be holding our annual school fair in support of Angkor Hospital for Children and Kantha Bopha hospitals. This year, we would like to make a few changes and invite businesses owned by parents and the local community to take part. If you are interested in being part of our school fair, please let the office know and we will contact you nearer the time with more details.

Illness and Medication in school

If your child has a case of vomiting, fever or head lice, they must be kept at home until they have recovered. If we suspect one of these cases or your child falls ill at school, we will call and ask you to collect your child from school.

If your child has an ailment that does not otherwise prevent their presence in school, we cannot take responsibility for administering medicine. However, an arrangement can be discussed on a case-by-case basis. **All medication must be clearly labelled and given to the office. Children are not allowed to take medication to their classroom.** A record of all medication taken at ISSR is kept in the school office.
