Swimming Gala

This Friday, we will be holding our third and final fundraising event for Angkor Hospital for Children and Kantha Bopha. Our annual swimming gala will begin at 1:30pm at the Primary School Campus and we welcome all parents and families to come and join us to watch and support each race.

We will be raising money through the snacks and drinks we sell during the afternoon. We hope to see as many parents and families as possible but, if you do not plan to attend and would like your child to enjoy a snack and drink during the afternoon, please put a maximum of \$5 into an envelope clearly marked with their name and class.

If you are planning on attending this event, please pick your child/ren up once the class arrive at the gala and let the class teacher know that you are there and will be responsible for your child/ren.

Assessment Week

Our final Assessment Week of this year is fast approaching. These will be the students last assessments before moving up to their next year group. It has been so encouraging to see how hard all the students have worked this year. At home, you can help your child to be 100% prepared for their assessments by ensuring they are doing the following at home:

- ⇒ Completing their homework
- ⇒ Reading and completing their reading log
- ⇒ Eating healthily and not too soon before going to bed
- ⇒ Making sure they get enough uninterrupted sleep each night. It is recommended that children between the ages of 5 and 11 get between 9 and 11 hours sleep each night.

500 Word Story Competition

We recently held a story writing competition which was started by BBC. Each student from Years 1–6 wrote a story that had to be no more than 500 words. The story could be about anything at all as long as the students were using their creative minds. We received some great entries that made the judges very pleased but eventually they had to choose just one winner and one runner-up from each year group. Their stories have been published and will be put in every class library. Congratulations to our winners and runners up:

Year 1: Beato & Putthisak
 Year 2: Serey & Marlina
 Year 3: Kano & Noah
 Year 4: YuJune & Boramey
 Year 5: Vionna & Jasmine
 Year 6: Emily & Waylon

Thank you to Ms Evelien for organising the event and to our judges Ms Chris and Ms Hayley.

Parent Meetings 10th-13th June

Parent meetings will be held from 10th –13th June and will be an opportunity for you to find out how your child/ren are getting on at school. It is very important that you make an opportunity to see your child/ren's class teacher as they will explain how they are doing and how you can support them at home. They will also share some successes from the year. Please make an appointment at the office. This is a busy time for teachers so please be on time as lateness will affect, not only your appointment, but the appointments of parents after you.

End of Year Concert

We will celebrate the end of the school year with our End of Year Concert on Friday 21st June at 9:00am in our main assembly hall at the Primary School Campus. All families are invited to join us as we celebrate our successes and bring a close to the Academic Year 2018-19.

Summer Program

Our Summer Program will begin on 24th June and run for 4 weeks. It is a time for the children to take part in some enjoyable experiences they may not have during the normal school year. We also run our English Language Support classes alongside the Summer Program for those students who require extra support in the English Language. If you would like to sign up for Summer School, please see the office. They will be able to answer any questions you may have.
