

RECEPTION 1A NEWSLETTER

February 2020 Ms Erin

We have been busy learning all about animals. Our topic studies focused on baby animals, pet animals, jungle animals as well as animals found in Cambodia. We continue to study our phonics letters and sounds for literacy lessons. We enjoyed a "Snake counting" mathematics game, as well as a "Match the monkey shapes" puzzle, and hippo counting game. We are working hard on writing and recognising our numbers and letters too.

Our friendships continue to grow and we make a great team!

Important dates:

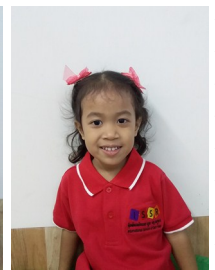

12 February -Sport's Day

7 March-School Fair

Star of the Month

Congratulations
