School Fair—Saturday 3rd February

The 3rd February will be our annual school fair in support of Angkor Children's Hospital and Kantha Bopha. The teachers and children have been very busy over the past couple of weeks organising their stalls and we have some very interesting ones this year! We are also looking for raffle prizes so if you would like to donate something (vouchers or a prize), please bring this to the office. **Thank you to all the parents who have already donated a voucher or prize for the raffle.** We will also be having our annual cake stall so any cakes, muffins, biscuits etc. will be gratefully received. We know there are some great bakers in our community! These can be brought in on the morning of the fair or the day before.

We hope to see you all on Saturday 3rd February from 10am.

After School Clubs

After school clubs will begin again on Monday 29th January 2018. A letter will go out this week with the choice of clubs we have on offer until the end of this academic year. If you would like your child to attend one or more of our clubs, please make sure you write their name in the correct place and sign the bottom of the letter.

Cross Country

At 8am on 9th December 2017, students from ISSR Primary and Secondary School gathered to compete in a Cross Country event against other Local and International schools as part of the Inter-School Association - Siem Reap sporting calendar. The event was held at Hope International School and the surrounding countryside. The focus was on turning up and having fun and competing at any level that they wanted.

Our students did us very proud as we had nearly 50 students in total representing the school. We had great success in all categories with some of our Primary and High School students finishing in the top 3 of each category. Well done to all those who participated.

*We are one,
But we are many.*

4B enjoyed measuring each others' heights and finding the decimal equivalents in m and cm.

Year 3 found ISSR on the map during their Topic lesson.

Christmas Concert

Thank you to everyone who attended our Christmas Concert on the last day before the holidays. The children were all so excited about performing and they definitely put on a great show! Thanks to all the adults who worked so hard on our concert this year.

School Photographs

School photographs will take place on Wednesday 17th and Thursday 18th January 2018. Please make sure your child is dressed in full school uniform on these days. As usual we will be taking individual, class and whole school photographs over the two days. The photographs will be available to buy from the office at a later date.

Punctuality

Some classes are doing extremely well for punctuality and are achieving 0 latest throughout the week and many classes have been the successful winners of the Punctuality Cup for this. However, there are still some classes where punctuality needs to improve. Lateness can be very disruptive to the child as they miss out on learning but also to the class and teacher. Thank you to the families who ensure their children arrive on time.

New School Site

The new primary school site is developing quickly and is beginning to take shape. Here are some photos of the development so far. It is a very exciting time for us all.

Remember to bring a healthy snack to school each

Star of the Month

We would like to welcome parents to our next Star of the Month assemblies at 8am on:

Tuesday 6th February - Nursery-Year 1 (R2B performing)

Wednesday 7th February - Year 2-Year 6 (4A performing)

The children are very excited about their performances and have been practising hard.

Afternoon Day Care for Reception 1 and Nursery has started. If you are interested, please see the office for information.
