### Assessment Week - 28<sup>th</sup>-31<sup>st</sup> May

Our final Assessment Week of this year is fast approaching. These will be the students last assessments before moving up to their next year group. All students have worked hard this year and you can help your child to be 100% prepared for their assessments by ensuring they are doing the following at home:

- ⇒ Completing their homework;
- ⇒ Reading and completing their reading log;
- ⇒ Eating healthily and not too soon before going to bed;
- ⇒ Making sure they get enough uninterrupted sleep each night. It is recommended that children between the ages of 5 and 11 get between 9 and 11 hours sleep each night;
- ⇒ Eating a healthy breakfast before coming to school each morning.

*We are one,  
But we are many.*

## International Week 7<sup>th</sup>–11<sup>th</sup> May

International Week will be held 7<sup>th</sup>-11<sup>th</sup> May. During the week each class will research a country from around the world, finishing with the students taking a tour around the school to discover what they can about each country. We would welcome any parents who would like to come in during this week and talk to a class about their country. Or, if you would like to teach your child's class a song, dance or share some food we would welcome that also. If you have not yet signed up, and would like to, please talk to your child's class teacher or contact the Primary School Office.

When we return from our holidays we will look forward to finding out whether you have a boy or girl and meeting your bundle of happiness. We would also like to welcome Ms Li who will be working alongside Mr Pan in our Chinese department.

**5A learnt about irreversible changes by cooking some scrambled eggs. Surprisingly, they couldn't get the eggs back to their original state!**

**The school will be closed for an in-service training day on Friday 1st June. Only the adults will need to be in school!**

**Remember to bring a healthy snack to school each day**
