### 2020-21 School Year

Dear Parents/Carers,

We are fast approaching the end of another difficult school year. Like all schools in Cambodia, we have once again had to face the challenge of online learning, whilst also coping with many staff changes and the uncertainty caused by the threat of Covid. I am continually amazed with how hard-working and dedicated our students are to their learning, and how they have risen to the challenges of this year. Our families have shown unparalleled commitment and support towards ISSR, and consequently to their children's progress and development, and I would like to say a huge thank you to you all. I would also like to thank all the teachers and support staff for their hard work and dedication over the past few months. Let's hope that the crisis is over soon and our school community can join together once more. We very much look forward to welcoming the children back onto campus when it is deemed safe. I hope you have a relaxing, safe holiday and we will see you for our new year on **Monday 9th August 2021**.

### Online Learning

Our students have worked incredibly hard during online learning and produced some wonderful work in Term 3. The children navigated various platforms, and with the support of their families, ensured that the current situation has not stopped them from developing and achieving. We are so proud of them all!

## End of Year Reports and Parent Teacher Meetings

This Friday, 11th June 2021 you will receive your child's end of year school report in their work pack. Please let the office know if you are unable to collect on this day and they will arrange for a digital copy to be sent to you via Telegram. Our end of year parent-teacher meetings will take place the following week, Monday, Tuesday and Wednesday, 14th-16th June, for R2 to Y6. This is a good opportunity to discuss any issues you may have, or to ask any questions relating to your child's progress this year. Please contact the school office to book your appointment. Teachers are happy to meet face to face or via Zoom for these consultations.
