And that's a wrap...!

We are coming to the end of the 2021-2022 academic year, and I would like to say how proud I am of all our students and staff. It has been a very difficult 2 years, but our primary students have successfully completed a whole year back at school, and have worked so hard, striving to make progress in all areas of their learning. ISSR

has once again worked as a community and supported our children as they return to normal school routines, whilst ensuring that their social, emotional and academic development has not been negatively affected by the pandemic. We wish all our students, staff, and their families a well-deserved restful and enjoyable holiday. We will see you all back at school on Monday 15th August.

There are exciting developments happening at the Primary school campus this month! Next year, our youngest learners will have access to a brand new, purpose built outdoor play space. This will include shady reading areas, swings, sandpits, covered activity areas and a mini bike track. We cannot wait to see the finished results!

A huge **congratulations** to our wonderful Year 6 class, who have made us all proud with their dedication to their studies, respectful and helpful attitudes, and wonderful sense of humour. We wish you lots of luck as you move up to Year 7. You will be missed!

It is with great sadness that we say good bye to some of our teachers this year. They have shown immense support to all the students in their class and also commitment to our school, especially through the challenging and uncertain pandemic times. We wish them all the best of luck in their new ventures and hope that they will keep us up to date on what they are doing in the future. We will all miss you!

Below are the classes and teachers for next year. We are very excited about welcoming our new teachers to ISSR, and I know they are looking forward to joining our school community.

We are very pleased to announce that we will have a new Primary School Principal starting with us in August 2022. Mr. David Key is a very experienced Head Teacher from Australia, with over 40 years of teaching experience. He brings with him a wealth of knowledge of both the English National Curriculum and Cambridge International Examinations. David, and his wife and daughter, are very excited to be joining the ISSR family, and he is looking forward to leading our school into the next phase of development, with improvements on campus and curriculum delivery.

Our **End of Year School Concert** will take place on Friday 24th June at 8:30am. Please arrive early. The children have been working very hard to practice their routines and are very excited to showcase their talent to their families.
School will close for the holidays at the end of the concert.

Field Trip!

Primary Principal's Newsletter

All our classes from Reception 2 to Year 6 had lots of fun on their recent field trips, to various sites in Siem Reap. The children were impeccably behaved and really enjoyed the opportunity to take their learning outside of the classroom. Well done everyone, you were great ambassadors for ISSR!
