Weekly bits and pieces...

Dear Parents and Guardians,

This week has been a wonderful week for the children. Despite of the weather, we were able to manage to do lots of fun things while indoors.

During circle time, we have spoken about saying "thank you". The children have learnt and shared ideas on when to say "thank you", and why people say "thank you". Learning to say these words encourages the children to be grateful, even for small things.

We play...
...we learn...
...and grow together!

PHONICS

We revisited the letters 'Ss' and 'Aa'. Identifying their sounds, which words begin with the 's' and 'a' sounds. We practiced writing the letters, tracing them and we also made wonderful arts and crafts.

NUMERACY

We started learning the numbers 0-10. We have learnt about the numbers 0, 1, and 2. We counted objects and practiced writing the numbers. We sang songs about numbers, the children enjoyed the song "10 Little Fingers", we used our fingers to count with the song..

LITERACY/TOPIC

Topic - 'Our 5 Senses'

We reviewed the sense of sight and had a discussion about the sense of hearing.

Literacy - We always love story time and have read two stories this week, one of them titled 'Thank You'.
