Year 5B with Ms. Claire

Literacy

We have learned to:

- Highlight writing devices in a text. These include similes, metaphors, personification, and onomatopoeia.

Maths

We have learned to:

- Work with place value in four and five-digit numbers.
- Use symbols \geq (greater than) \leq (smaller than).

Science

We have learned to:

- Use scientific reasoning in order to justify why the Earth is spherical and not flat.

Notices

- The school bell rings at 07:55 each morning. Please make sure that your child comes to school on time.
- Please provide your child with a healthy snack option.
- Please make sure your child is bringing all of the right things to swimming for Tuesdays at 10:00.
- Next week (Tuesday 30 August) Veninh, Kohav, Seng, Kodom, Jessica, Long King and Tepy will be swimming.
