

NURSERY NEWSLETTER

Ms. Rita's Class

September 2, 2022

Dear Parents/Guardians,

The week has been great. The children are getting used to our classroom routines and some are now able to sit on their own spot on the mat where their names are placed. As the children are becoming more settled, I will begin to set our classroom rules to give them clear expectations and understanding of boundaries not only for safety purposes but for them to grow and succeed well in school.

This week's Achievers

Cherie is super friendly.

Diamond is cheerful in the class.

Jason is self-confident.

Pong Pong is beginning to complete worksheets promptly.

Jin is a role model for super star sitting.

Mey Ly is growing more confident in coming to school

PHONICS

We have been learning to listen to, understand, and follow instructions. We are learning to discriminate between loud, quiet, fast and slow tunes.

NUMERACY

We have been learning to join in with counting songs and rhymes. Our song for the week is "5 little ducks". We have been practising finger counting.

LITERACY/TOPIC

Topic - We have been learning to enjoy songs and rhymes, tuning in, paying attention to and joining in.

Literacy- We practiced tracing lines from 'top to bottom' to help us with pencil control. We also read the story of 'The Itsy Bitsy Spider'.

HOUSEKEEPING

- ◆ Birthdays in the Classroom: Please let the office/teacher know 24 hours before you plan on bringing treats for the class. Thanks!
- ◆ It is a good idea to label your child's mask with his/her name.
- ◆ We'll be starting to look at children's independence in self-care. We'd like to ask you to start/continue 'potty training' and 'putting own shoes on' at home. We will continue to support them during this developmental phase.

Meet and Greet-

Friday, 9th September
at 5pm. Looking forward
to seeing you!
