

Literacy

In Literacy, the children continued to write a series of Diary Entry based on their chosen character on the Just So stories story by Kipling. A chosen few were asked to read their diary entry to share some examples to their classmates. They have also continued working on writing their first draft of Just So story.

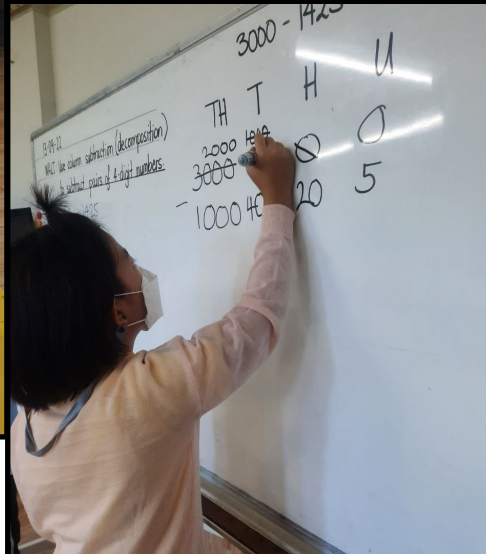

Year 5A—With Ms. Dimple

16th Sept. 2022

Math

This week in Math, the children have learned how to subtract in expanded form and compact decomposition form with 4-digit numbers. And from their previous lesson, using frog method to subtract amounts of money, the children have worked on subtracting 4 digit numbers using the same method.

Notices

- The bell rings at 7:55 am. Please make sure your child is at school on time.
- Please remember to send a healthy snack with your child.
- Homework is due every Wednesdays. Please ensure that your child does his/her work.
- If you have any further questions please contact me on class dojo.

Science

In Science, the children have continued to work on their orery. They have also designed and implemented a shadow investigation that will demonstrate the spinning of the Earth and have reconstructed or-modelled what would happen with the changing rounders post shadows throughout the day using a torch.

Important Reminder!!!

On your swimming days, please make sure to always bring your towel, flip-flops, goggles, cap and extra underwear.
