

ISSR

Literacy

In Literacy, the children have been working on writing a biography and autobiography. By doing this, they have done pair works and interviewed each other, taking notes and eventually writing a short biography. Within this lesson, they have also done some dialogue writing. Additionally, the children have also worked on transforming narratives into dialogue and each pair have done a short role-play for in the class.

Year 5A—With Ms. Dimple

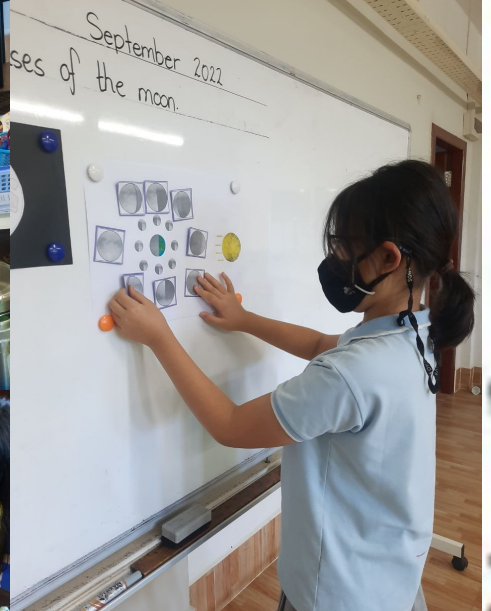

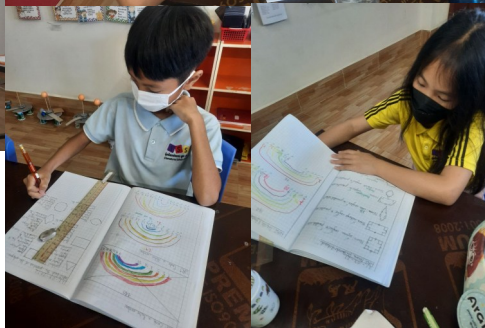

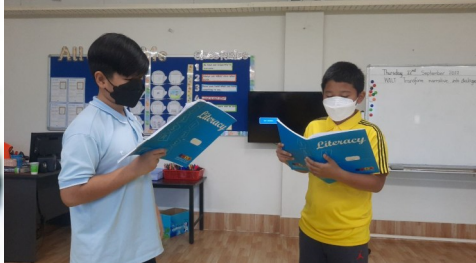

23rd Sept. 2022

Math

This week in Math, the children have learned about the properties of 3D shapes, also prisms and pyramids. They have also learned about the properties of 2D shapes including polygons. Within this lesson, they have also learned to classify and draw different quadrilaterals.

Science

In Science, the children have continued to work on their orrery. It is taking some time but it is going to be well worth it. The children are truly enjoying working on this project. In addition to that, the children have been learning about the phases of the moon. Once their orrery is finish, the children can carry out a simulation to demonstrate why the moon appears as it does in the sky.

Notices

- The bell rings at 7:55 am. Please make sure your child is at school on time.
- Please remember to send a healthy snack with your child.
- Homework is due every Wednesdays. Please ensure that your child does his/her work.
- If you have any further questions please contact me on class dojo.

Have a wonderful holiday!!!
