Literacy

We have learned to: Read, write and speak with better accuracy.

In Literacy the students continued gaining knowledge of Verb Tenses. Focusing on the verb 'To Be'. In Writing we continue to create paragraphs using the 'Hamburger method'. The students are learning about Morals, using Fables, and to prepare for writing a fable.

They have done well in their Spelling test this week.

Maths

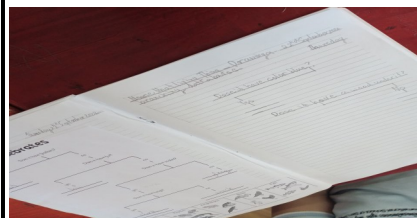

We have learned to:

Subtract using jumping by 10's and 1's (counting backwards), then confirming our answers using the Math Fact Method that adding the answer to the smaller number, will give us the larger number. Counting forward.

Science

We have learned to:

Identify Mammals, Fish, Amphibians Reptiles and Birds using questions on a branching database.

Notices

Students must wear their **swimming costume** under their PE clothes on their swimming days. They are required to have:

Goggles, swimming cap, wetsuit styled bathing costume;
slippers to walk safely around the pool; a towel;
a plastic bag to keep the wet swimwear and towel in;
dry underwear, socks and shoes to wear for the rest of the day.

We wish all our Y4 parents safe travels and a peaceful Pchum Ben holiday.

Enjoying their reward for reaching 1600 ClassDojo points.
