With Ms. Heather

Literacy

We have learned to: Read, write and speak with better accuracy.

We are moving into the realm of Syllabic Poetry, namely Haikus. We have learned about the life of Satoshi Tajiri.

Students have done very well in their spelling test this week. Majority of the class scored 60% , a few scored 90%, and two brilliant children scoring 100%. Keep up the good work.

Maths

We have learned to:

We have continued practicing Measures and Data—Telling time, converting time into words and from digital to analogue times.

We are also delving into the past regarding numbers—Roman numerals are our focus next week.

Science

We have learned to:

Students are on a new unit: Matter—States of Matter Liquid Solid and gas.

We watched an inspiring video on changing states of matter and will be doing several experiments over the next few lessons.

NOTICES

Students must wear their **swimming costume** under their PE clothes on their swimming days. They are required to have:

Goggles, swimming cap, wetsuit styled bathing costume;
slippers to walk safely around the pool; a towel;
a plastic bag to keep the wet swimwear and towel in;
dry underwear, socks and shoes to wear for the rest of the day.

Pool safety and cleanliness is paramount.

Reminders

Assessment week begins 24th October 2022

Saturday 29th October 2022—The School Fair Public Event

Please join us, and bring family and friends.

Monday 31st October 2022—Halloween dress up. (Optional)
