

# ISSR

Newsletter 18th November, 2022

With Ms. Heather

## Literacy

We have learned to: Read, write and speak with better accuracy.

We are focusing on our listening and comprehensions skills of instructional texts.

We followed directions given by the teacher to draw a cartoon dog's face.

## Maths

We are learning to:

To group in 6, 7, and 9. Understanding the difference between 'groups of 6' and '6 groups of...'

We are practicing our multiplication tables and learning the definitions of Maths vocabulary related to division.

## Science

We have learned to:

We are learning about States of Matter and the Water Cycle.

## NOTICES

Students must wear their **swimming costume** under their PE clothes on their swimming days. They are required to have:

**Goggles, swimming cap, wetsuit styled bathing costume;**

**slippers to walk safely around the pool; a towel;**

**a plastic bag to keep the wet swimwear and towel in;**

**dry underwear, socks and shoes to wear for the rest of the day.**

**Pool safety and cleanliness is paramount.**

**Dear Parent/ Care Givers,**

**As a continued effort in improving our safety policy, effective Monday 14th November we will be locking the gates as we did previously. Meaning, students will be dropped off as normal but only through the small gate and also picked up there. Parents will not be allowed to enter the gates unless they have an appointment. We thank you for your continued cooperation in ensuring our school is well managed and safe.**
