

NURSERY NEWSLETTER

Ms. Rita's Class

November 4, 2022

Dear Parents/Guardians,

I would like to thank all of you for your support during the Halloween Parade. It was really nice to see the children in their costumes.

I would also like to thank you for your support at the school fair. It was a huge success.

SAVE THE DATE

4 Nov, Friday– **Staff Inset Day**. No school.

7-9 Nov– **Water Festival**. Holiday.

10 Nov, Thursday – Back to school.

This week's **Super!** Achievers

Dana cooperates with routines.

Jin participates well in the class.

Pong Pong listens to instructions.

Sereybot joins in with singing favourite songs.

Minha is starting to initiate conversations.

PHONICS

We are still learning new songs and action rhymes everyday to develop a wide repertoire of songs and rhymes.

We have been learning to join in with words and actions to familiar songs, articulate words clearly, keep in time with the beat, and copy the sounds and actions.

NUMERACY

Our learning is focused on counting up to 10 objects.

We have been learning to count things that cannot be touched like claps, jumps, pats and sounds.

LITERACY/TOPIC

Topic- Ocean Animals

We crafted an under the sea scene for our favourite ocean animals.

We played "I spy Ocean Animals". We had fun naming the ocean animals.

We continued practicing pencil control by tracing lines and numbers and colouring pictures.

Our story is "Jungle Animals".

HOUSEKEEPING

- Please do not give chocolates as the only option for your child's snack. We encourage healthy eating habits at school. Chocolates and sweets will most likely be sent back home.
- If, by chance, your child has not eaten breakfast at home yet, please let us know. We will try our best to feed her/him during snack time.
- If your child is a picky eater, keep offering a variety of foods – it may take lots of attempts before your child accepts some foods. If your child still rejects the food, we do not force them to eat it, but we will let you know.

THE WEEK IN PHOTOS
