

NURSERY NEWSLETTER

Ms. Rita's Class

November 18, 2022

Dear Parents/Guardians,

The Star of the Month assembly was a success. The Reception 1 children are amazing in their performance and the Nursery children were listening and behaving well. Congratulations to all "Stars" of this month.

SAVE THE DATE

21 Nov, Monday– **Term 2 starts.**

1 Dec, Thursday– Star of the Month,
Nursery children will be performing

November 2022

Star of the Month
Our 'Stars of the Month' for November are Mey Ly, Chea Houy and Rose. Congratulations and keep up the good work.

PHONICS

Body Percussion

We have learned to:

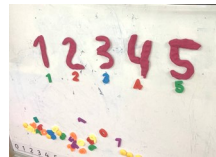

- increase the speed of the actions as the speed of the rhyme are increased.
- copy a body percussion sound or patterns of sound .
- and identify hidden sounds.

NUMERACY

Recognising Numbers

We compared the magnetic numbers to the dough shaped into numbers, talked about the shape of each number, practiced writing them in the air, sorted numbers, and sang number songs.

LIT-

Topic- Insects

We enjoyed copying insects actions and movement. We also played the "bugs in a jar" dice game, where we name the insects and count them.

Our story is "Incredible Insects".

We continued practicing pencil control by tracing numbers and colouring pictures.

HOUSEKEEPING

- Lateness may affect your child's schoolwork. Our class starts at 8:00 am. If your child comes to class later than that, he or she will be marked late.
- Please remember to return your child's plastic folder to the class. If lost, immediately inform me or the office.
