Weekly bits and pieces...

Dear Parents and Guardians,

We have had a fantastic week. The children had a lot of fun and excitement during our class trip. The change in routine and thrilling hands-on experience they had will help to deepen their learning, as it will open up their minds to new things.

A heartfelt thank you to each and every one of you for taking the time to attend our parents-teachers conference. It was wonderful to meet you all. Looking forward to seeing you again, especially at the Christmas Concert next Friday.

We play...
...we learn...
...and grow together!

PHONICS

This week, we have learnt all about "g". We have learnt its sound, some words beginning with "g", and practised writing lowercase "g". We also made "grapes" art and craft.

NUMERACY

This week learnt to compare objects based on size. Three objects were compared to decide which was big, medium or small. For activities, we used shapes, common classroom objects and the characters in the story "Goldilocks and the Three Bears" to practice the vocabulary.
