## PHONICS

This week, we have learnt all about "c". We have learnt its sound, some words beginning with "c", and practised writing lowercase "c". We also made a cute caterpillar art and craft forming the letter 'c'.

## NUMERACY

This week we have learnt to compare objects based on height. Two objects were compared to decide which was tall or short. In order to compare and use the vocabulary, we used our height and everyday classroom objects as activities.
