Year 5A—With Ms. Dimple

This week in our class, the children had some lessons in literacy and mathematics. They looked further into the work of Mr William Shakespeare's Plays. They have studied the play script of Romeo and Juliet and answered questions based on Marcia William's and Leon Garfield's version. In maths, the children have practiced plotting points and drawing polygons in all four quadrants.

This week as well, the children have been working hard practising their dance routine for the Christmas Concert.

Yesterday, the children truly enjoyed their Christmas Party. They played games like: Christmas Musical Chairs, Paper Dance, Stop dance, Ornament Roll, and Face the Cookie. They also exchanged presents with the person they picked. Everyone had a great time!!!

Our Christmas Party Class photo!

Santa Clause came to visit us. What a surprise!!!
The children received lots of candies from Santa.

Important Dates

- This Friday, 16th December 2022 is the Christmas Concert. Please be sure to come early so you can prepare. There will be no class in the afternoon that day.
- No class from 19th December 2022 to 6th January 2023. School will start on the 9th January 2023.

Please enjoy the rest of your holidays and advance Merry Christmas and a Happy New Year!!!
