

NURSERY NEWSLETTER

Ms. Rita's Class

January 27, 2023

Dear Parents/Guardians,

The week has gone by quickly, and next week, on Thursday, is our first Star of the Month this year. I will be choosing our stars in the class that shine the brightest. Who will they be? We are all excited.

We have had a wonderful week this week.

SAVE THE DATE

9 Feb (Thursday)- *Star of the Month*. R2 to perform

17 Feb (Friday)-Sports Day.

This week's **Super!** Achievers

Dana is starting to initiate conversations.

Kanha has actively and consistently participated in all of our activities.

Hoksing has relearned to enjoy school.

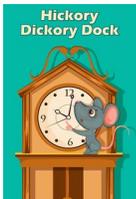

Jose has finally made friends with everyone in the class.

Rose always puts her best foot forward.

PHONICS

Rhythm and Rhyme

We learned and used the nursery rhyme "Hickory Dickory Dock" and "Jack and Jill" to listen and recognise the rhyming strings. We also made up silly rhyming names for our puppets and soft toys in the classroom to help us with rhyming words.

NUMERACY

Solving "missing number" problems

We used soft toys and number necklaces to help us with our activity. We were able to match and hang the correct "number necklace" on each soft toy randomly chosen by the children. The toys were lined up on a table, and we counted along the line to establish which number was assigned to each toy.

LITERACY/TOPIC

Topic-Healthy Food

We learnt about healthy food, which we also call "good food" or "everyday food". Our activity was to name the fruits and vegetables and try to sort them according to their group. We talked about what we eat at home and school and why we need to eat healthy or "good food" every day. We also learned a song about healthy food.

HOUSEKEEPING

- Lateness may affect your child's schoolwork. Our class starts at 8:00 am. If your child comes to class later than that, he or she will be marked late.
- Please don't forget to pack in snacks for your child. Snacks can keep your child from getting so hungry that they get cranky. Snacks may help prevent overeating at meals. For picky eaters of all ages, snacks are a chance to add more nutrients to their diets.
