

# RECEPTION 1 WEEKLY NEWSLETTER

Ms. Janica's Class

March 16, 2023

## Weekly bits and pieces...

Dear Parents and Guardians,

As part of the children's learning about different kinds of animals and life cycles, they had a great time exploring Angkor Wildlife and Aquarium.

They saw animals in various colours and sizes, got a closer look and observed how the animals moved and the habitats they live in. Their class trip was a great opportunity for them to explore and learn more about the world around them.

Tomorrow is Teacher INSET (**In-Service Education and Training**) day. It will be training, marking and report-writing day for staff, so no school for children.

I wish you all a wonderful week ahead!

## PHONICS

This week, we have learnt all about "f". We have learnt its sound, some words beginning with "f", and practised writing lowercase "f". We also made artwork: a fish underwater.

## NUMERACY

This week, we practiced counting from 1 to 20, with particular emphasis on **counting and identifying numbers 17 and 18**. We used different kinds of manipulatives inside our classroom, such as buttons, cubix and blocks.

## LITERACY/TOPIC

Topic - Life Cycle

This week, we talked about the life cycle of a frog. We explored all of the stages.

**Literacy** - We read "Manners on the Playground", this story teaches us how to play safely and have fun on the playground.

## HOUSEKEEPING

- Our class starts at 8:00am, please make sure your child is at school on time.
- **Thursday is PE day** - please send your child to school wearing the PE uniform and running shoes.
- **PLEASE, NO UNHEALTHY FOODS FOR SNACKS**— healthy snacks - fruit, yogurt, crackers, cheese. **No cakes or packets of cookies.**
