Khmer New Year (School closed)

Our letter sound this week was the trigraph /air/. We practiced reading, blending and writing air words. We continue to revisit our tricky words daily as well as practice identifying syllables in words.

Numeracy

We continued learning about clocks—analog and digital. We made our own clocks and talked about our favourite time of the day.

Literacy—Topic

We are exploring Celebrations—in particular Easter. We learnt that this is a Christian celebration with interesting activities that take place during Easter.

We read several books explaining what Easter means and some fun fiction stories

- Our school policy states: healthy snacks and lunch. Please make sure that your child has a healthy snack, no doughnuts, burgers, fries or chocolate.
