

NEWSLETTER, 31 MARCH 2023

In Literacy this week we:

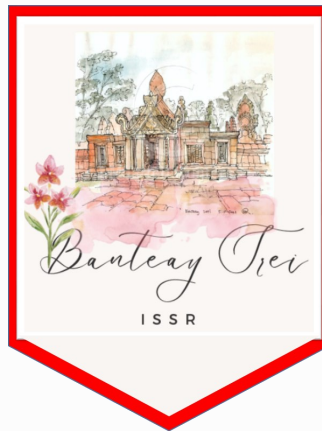

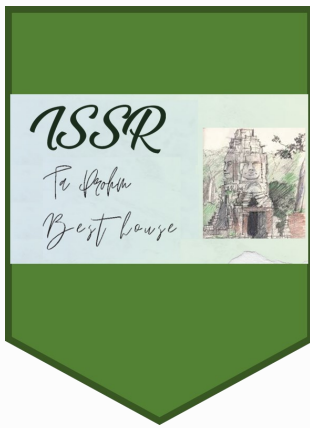

- Practiced our cursive writing;
- Learnt about homophones and played homophones online games;
- Presented our story maps and myths;
- Worked on our fairy tales book project

In Math this week we:

- Learnt how to subtract and add 0.01 and 0.1 to decimals;
- Learnt about area and perimeter;
- Reviewed decimal place value

In ICT, Topics & Science we:

- Designed House logos in Canva and PowerPoint;
- Made a ppt about our Home country and delivered a presentation;
- Continued to experiment with different materials' conductivity

Two of our students' House logo designs were chosen among the best logos from Y 4, 5 and 6 to be used as a School House logos on the House flags.

Congratulations and well done, Kimmeng (Ta Prohm) and Brina (Banteay Srei)!

Our new Subject Leaders took over their responsibilities as of this week. I'd like to thank my previous Subject leaders: *Cameron (Math), Siv Ing, Viseth (Literacy), Science (Kaito), PSHE (Jin Fei), ICT (Vathna), Amy (Homework)*. You did an amazing job, guys!

IMPORTANT NOTICE:

Tuesday, April 11th—Field trip.

Please sign and return filed trip permission letter by Tuesday, April 4th.

Thank you for your cooperation!
