

RECEPTION 1 WEEKLY NEWSLETTER

Ms. Janica's Class

June 16, 2023

Weekly bits and pieces...

Dear Parents and Guardians,

Firstly, I would like to thank you for taking your time to meet me during our PTC's. It was a pleasure to see all of you again.

Secondly, this is our final update on what we did in our class. Please see the boxes for our final activities.

Finally, we are in the final week of the school year! Let's wrap up this year with joy and positivity towards the achievements and progress the children have made this year. It was a wonderful time spent together with laughter, new friendships made, and fun learning. The children have progressed so much in all areas of their learning, and I have enjoyed getting to know every one of them. Each child is unique and special, and they have progressed into confident young learners. Continue to love learning and keep working towards your goals in Reception 2.

What a fantastic year we have had! On behalf of all the teachers in our class, I would like to say how proud we are of how much the children have achieved. I wish them all the best in Reception 2!

Thank you as well for your trust and unwavering support. It was a wonderful experience to be with them!

PHONICS

This week, we revised all the letter sounds we have learnt in Phase 2 Phonics Sounds. We learnt to identify what letter sound was at the beginning of a word by sounding out and emphasising its sound. We also practised writing the letters.

Save the Dates

21 June 2023 (Wednesday) - **Class Party** — Please bring some snacks to share with your friends.

23 June (Friday) - **End of Year Concert** — An invitation has been sent out together with the programme of events.

LITERACY/TOPIC

Topic - Musical Instruments

Our topic this week was still about musical instruments. Children kept learning to name some common musical instruments by listening to the sounds and identifying them.

Literacy - We read the story "Brush

NUMERACY

This week, we continued to practise counting numbers 1 to 20 and revising colours and shapes. We used different kinds of counters in the classroom for counting and played "Give Me" game, children had to find objects in different colours and shapes. "Find Me," where children have to find the colours or numbers on the mats.
