

RECEPTION 1 WEEKLY NEWSLETTER

Ms. Janica's Class

August 25, 2023

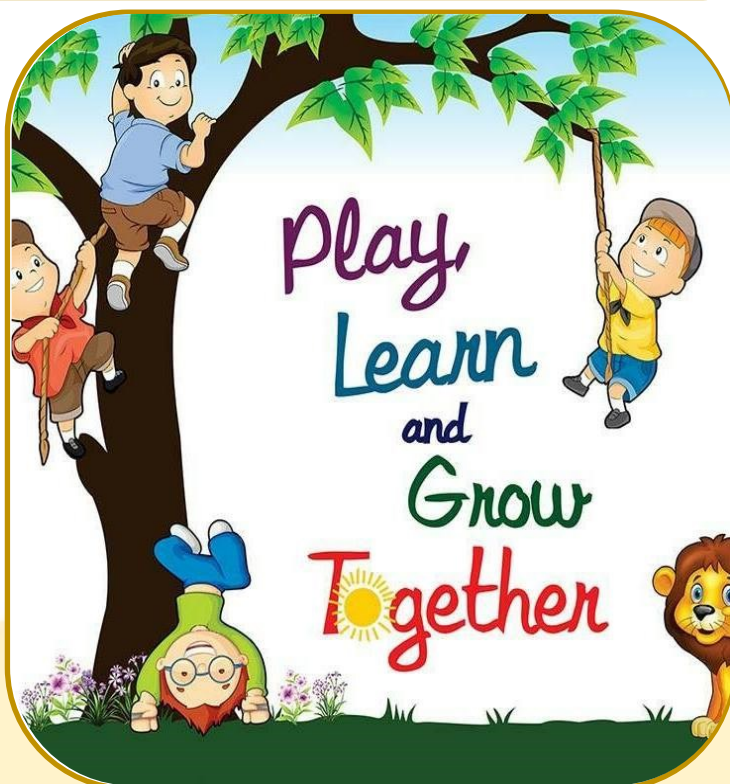

WELCOME TO OUR FIRST NEWSLETTER

Dear Parents and Guardians,

This week has progressed with children getting used to the routines at school. The highlights of this week are listening, observing, and exploring. There will be more as we go through our school days.

Starting next week, there will be a new system for morning arrivals. As you know, our class starts at 8:00am, the gates will be locked at 8:05am. If you arrive after 8:05, you will need to take your child into the office and fill out and sign a "Late Slip" for your child. Please make sure your child is at school on time.

Thank you so much for your unwavering support. Wish you all a lovely weekend!

PHONICS

This week, we have learnt various kinds of environmental sounds, such as body percussion, animal sounds, transportation sounds, and instrumental sounds. This helps children to tune into sounds and really become aware of a sound. It also helps develop their listening and attention skills which are so vital for their learning.

NUMERACY

We started exploring colours and sang number songs. This week, the children have learnt to identify some colours, i.e., red, blue, and yellow, as well as some things that are associated with these colours.

LITERACY/TOPIC

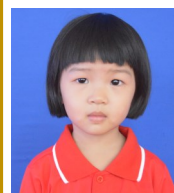

Topic - Our topic's lesson is 'All about me!' This week, we have been exploring different body parts and identifying them. We are also learning how to take care of ourselves and stay healthy.

Literacy - We have read a story called David Goes to School by David Shannon. This story talks about the type of discipline a child should have in school.

HOUSEKEEPING

- Our class starts at 8:00am, please make sure your child is at school on time.
- Thursday is P.E. day** - please send your child to school wearing the PE uniform and running shoes.
- PLEASE, NO UNHEALTHY FOODS FOR SNACKS**— healthy snacks - fruit, yogurt, crackers, cheese. **No cakes or packets of cookies and wafers.**

Welcome back to:
