Year 2A Ms Jacalyn

CLASSROOM NEWS

My name is Jacalyn Hannah, I am from Canada and have just moved here after teaching in Phnom Penh for four years.

During the first week of school we got to know each other and the routines that we will follow for the year in 2A.

We went to the library, explored the campus, did many new and challenging activities and had so much fun!

I look forward to getting to know you and your children this year!

Ms Jacalyn
