

NURSERY NEWSLETTER

Ms. Rita's Class

August 18, 2023

WELCOME!!! 2023-2024 ACADEMIC YEAR

The nursery children's learning journey has begun and our classroom is now filled with adorable little ones. I am wishing all children a successful and positive learning journey this year.

Every week we will be posting our newsletter with our class activities, announcements, reminders and school events. Make sure to read them to be updated.

This week is all about getting to know each other, our classroom routine, and classroom rules.

Our class routine

Our class routine begins with indoor free play while waiting for everyone to arrive in the class. Then, as a starter, we do our greetings, registration, and classroom rules. Our early morning lesson is Phonics Phase 1, followed by outdoor play and snack time. We have quiet time, "book centre" time, and a bathroom break when we

return to the classroom. The next lesson of the day is Maths and Topics. Then we do arts and crafts, pencil control practise, and other activities related to our early learning goals.

Our classroom rules

We are learning to share and take turns, be independent, use kind words and hands, listen to adults, and tidy up after play.

After completing the activities, students can choose to play in our centres. Finally, we have stories, nursery rhymes, dance, exercise, yoga, circle games, or engage in conversation with the class before our home time.

SAVE THE DATE

Friday, 18 Aug– Meet and Greet Parents

HOUSEKEEPING

- Please provide healthy snacks for your child. Chocolates, cakes, chips and candies are not allowed.
- Please ensure your child is brought to school on time. Class starts at 8:00 o'clock. Arriving 10-15 minutes before we start is best.
- Make sure to inform the office about absences and lateness.
