

Classroom Newsletter

Year 2A Ms Jacalyn

LITERACY

We have started our new topic of the Olympics and we even spotted the Cambodian athletes in the opening ceremony of the Tokyo games. We had so much fun learning about new sports like javelin, archery and long jump. We were fascinated with flags from other countries, exploring the atlas and finding out which flag belongs to which country.

NUMERACY

Did you know addition and subtraction are opposites? We discovered this and are working diligently to write the equations both ways. Practise some mental maths at home and see the opposites in action.

HOMEWORK

Please return the red homework folders to school daily and ensure your child is completing their assigned work.

- ✓ A spelling list will be sent home on Monday. Your child should practise nightly for the test each Friday.
- ✓ Maths work will be sent home on Wednesday night to be returned on Friday.
- ✓ Science work will be sent home on Friday and should be returned on Monday.

SCIENCE

Banana trees, vines, and palm trees are abundant on the ISSR primary campus. We have been busy counting and creating graphs and diagrams from the raw data we collected this week. Can you search for plants and name them in Khmer and English?

REMINDERS

Library Books

Please ensure your child brings their library book back to school on Friday so they can exchange it and bring home a new book for you to read together!

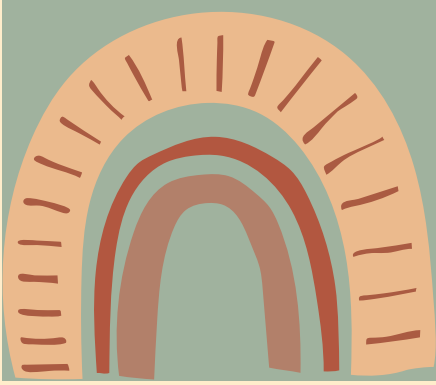

Healthy snacks and lunch

Please send your child to school with a healthy snack and lunch including fruit, vegetables, egg or crackers.

Swimming Group One

Choungkang, Sophane, Monyroth, Sunny, Vivi, Kylie, Bossa, Long Sing and Vimean
