

# ISSR Y6B Class Newsletter

Welcome to all the students and parents of Year 6B for the 2023–2024 school year. I am Ms. Dimple, the Key Stage 2 Coordinator and also the Year 6B teacher for this year. It is a great honor for me to see you all back at school and to be able to teach and guide your children to achieve their goals. As we work together during the year, I look forward to your continued support and cooperation to ensure the success of your child throughout the school year.

## What happened this week

The children watched a video on how to build a 3D Hologram Box and wrote their instructions as they watched. They collected all the materials they needed to build their project and finalised their instructions in their notebooks. In literacy, they created a PowerPoint slide about the things or places that have had an impact on their lives. They presented their work in class, showcasing their skills in speaking.

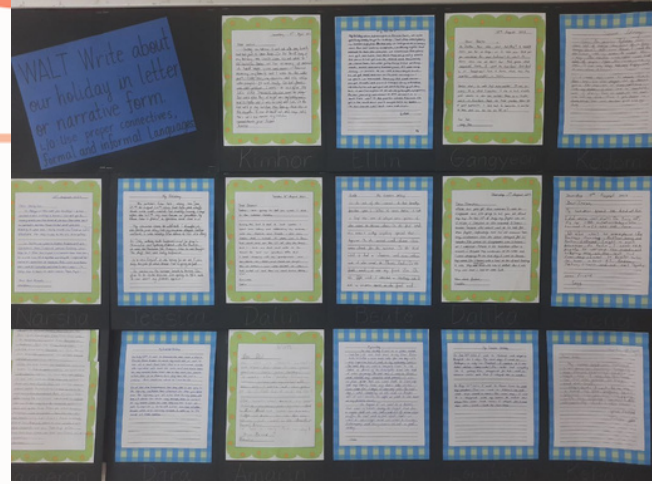

## Notices:

- The bell rings at 7:55. Please arrive on time.
- Healthy foods are important for children's brain development and energy levels. Please provide healthy snacks and lunches daily.
- PE and swimming will start this week. The children will be updated on their schedule.
- Extracurricular activities will start next week.

# More from this week!!!

The children were engaged in a writing project where they practised using connectives, punctuation, and paragraph construction. They performed peer evaluations of their work to get experience identifying mistakes and providing corrections to each other.

The children did some mental math on addition and subtraction. They worked on their measuring skills when creating their 3D Hologram Box and lots of fun was had creating their symmetrical name monsters.

High-frequency word spelling tests were completed, and they worked on their cursive writing in their notebooks.

Relaxing and reading in the library.
