

# Classroom Newsletter

Year 2B with Ms Lucy

Friday 15.9.23

## MATHS

In maths this week we have been practising our addition skills. We have been learning number bonds to 10 and 20, and have been working on tricky sums involving 3 numbers! We used different strategies to help us such as numberlines, cubes and even using our fingers!

## LITERACY

This week we have been learning all about the Olympic Games. We searched for information in books to learn about the history of the games and how they have changed over time. We also enjoyed watching clips of various sports. Gymnastics, surfing, diving and skateboarding were some of our favourites to watch!

## COMPUTER SCIENCE

Year 2B are fast becoming computing experts! We have been practising our typing skills, and are developing our speed and confidence. This week, we used an online programme to create fantastic digital posters. Our posters include a digital self-portrait and information to describe ourselves such as our birthdays, favourite colours and favourite foods.

## REMINDERS

### Swimming

Group 1 will be swimming this week:

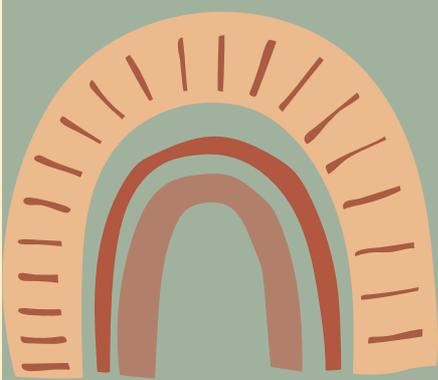

Connor, Ellie, Jimmy, Lexi,  
Kaixing, Soklika,  
Mengsreang, Sinluy, Kekhao

### Homework

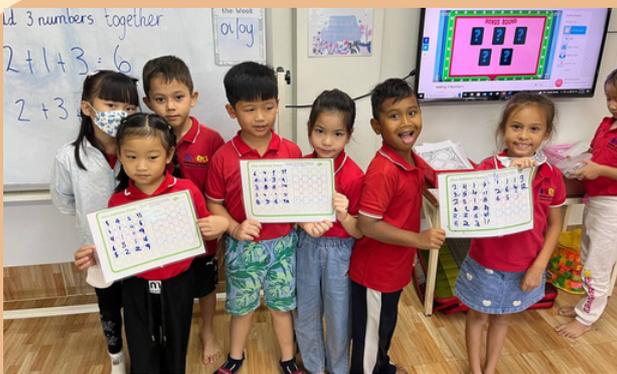

- ✓ A spelling list will be sent home on a Monday. Your child should practise nightly for the test on a Friday.
- ✓ Maths homework will be sent home on a Wednesday and should be returned on a Friday.
- ✓ Science homework will be sent home on a Friday and should be returned the following Monday.
