17 November 2023

Upcoming Events

18 Nov- School Fair

26-28 Nov- Water Festival

15 Dec- Christmas Concert

See you all
tomorrow
at the
School Fair

This week in Nursery

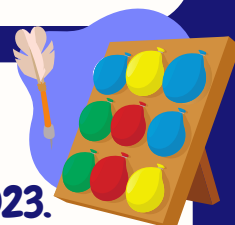

In **Phonics**, we have learned to copy a body percussion sound or patterns of sound, and words about sounds like fast, slow, quiet, loud, long, and short.

In **Numeracy**, we practiced number recognition. We compared the magnetic numbers to the dough shaped numbers, talked about the shape of each number, practiced writing them in the air, did a number sorting activity, and sang number songs.

In **Topic/Literacy**, we are learning about the weather. We sang a weather song, listened to the story "Bear in Sunshine, and played weather charades to help identify different types of weather.

School Fair

-Saturday,
18th November 2023.

Thank you parents, for your generous donations and support for the school fair. Your support is essential to the event's success. .
