MATHS

This week we learned how to round two-digit numbers to the nearest 10. We had fun working in pairs to play games on the computers to practise rounding numbers, and learned rhymes to help us remember:

- "Five to nine-climb the vine"
- "Zero to four- slide to the floor."

LITERACY

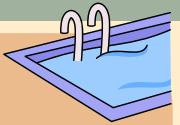

This week we began reading our new story, 'The Dolphin King'. First, we made predictions about what we thought would happen in the story, and discussed the setting and characters in the text. We made comic strips of the story and enjoyed retelling the story through roleplay.

ANTI-BULLYING WEEK

This week we took part in different activities for Anti- Bullying Week. We learned that bullying can take different forms, and discussed what we should do if we ourselves or our friends are experiencing bullying. We made wonderful posters to promote anti-bullying in our school and took part in "Odd Socks Day", to celebrate our diversity.
