

## Welcome to our new academic year 2024-2025

We are thrilled to welcome you all to the new academic year at ISSR Secondary Campus. Our students, teachers, and staff are excited to reunite and embark on this new chapter together.

During our recent assembly, Dr. Chris, our new Vice Principal, introduced and welcomed our new teachers:

- Mr. Greg, Maths Teacher
- Ms. Kaveru, Business and GP Teacher
- Mr. Frederick, ICT Teacher
- Ms. Kaetlyn, Swimming Teacher

Dr. Chris also outlined the aims and expectations for the year, emphasising the importance of adhering to school policies on phone and device usage, as well as student attendance, which significantly impacts academic performance.

We are pleased to announce improvements in our academic communication through the EduPage system. This platform allows students to receive homework, check grades, and view progress reports. It also enables parents to monitor their children’s academic progress. Parents can find the parent handbook, school academic calendar, and newsletter updates on EduPage. For login assistance, please contact our admin team.

Mr. Dale from the Senior Leadership Team announced the upcoming Election Day for the School Representative Council (SRC) roles. We look forward to seeing the campaigns and leadership initiatives from our students.

Lastly, our Exams Officer, Ms. Annvinn, praised the achievements of our students in the previous year’s Checkpoint exams. She also announced that the IGCSE and AS/A Levels results will be released today and wished our senior classes the best of luck.

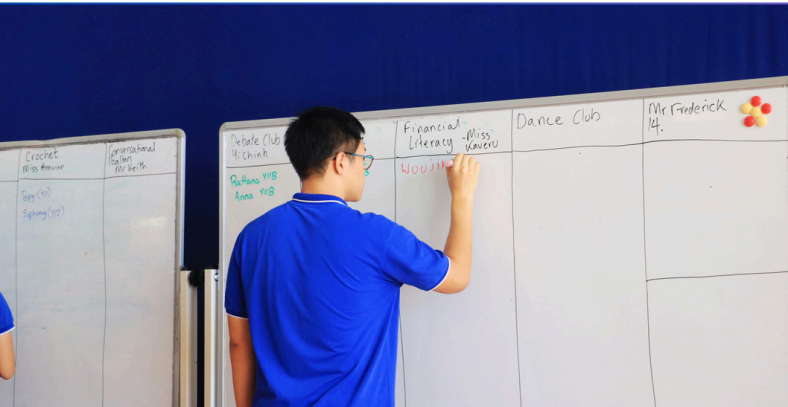

We extend our heartfelt gratitude to parents and guardians for your continued trust and support.
