WEEK 1: STAFF ORIENTATION WEEK

Welcome back, team. We kicked off the year with an energized Staff Orientation Week. It was wonderful welcoming our newest members aboard and recognizing our incredible returning staff. We also completed essential training on school systems, operational policies, and our ongoing commitment to student safeguarding.

We Are One, But We Are Many

WEEK 1: A WELCOME MESSAGE FROM THE PRINCIPAL

Mr. Dale
Principal

I am equally delighted to celebrate the success of our Khmer Programme students. Congratulations to all our Year 12 students on achieving a 100% pass rate in the Grade 12 Examination held on 10 August 2026.

I am immensely proud of every student for their hard work, perseverance and dedication. I would also like to extend my sincere gratitude to their teachers for their unwavering guidance and to parents for their continued encouragement and support. It was a pleasure to welcome so many families to our recent Parents' Meet and Greet. Parents were able to tour the campus, meet our teachers and learn more about the year ahead. Our international teaching team collectively brings approximately 400 years of experience to ISSR, and I am extremely proud of the knowledge, enthusiasm and commitment they bring to our classrooms each day.

We Are One. But We Are Many

THE AUGUST REVIEW

ISSR HIGH SCHOOL NEWSLETTER | END OF AUGUST 2026

REFERENCE NO.: ISSRHS/ISSUED:N001

WEEK 1: A WELCOME MESSAGE FROM THE PRINCIPAL

Student leadership continues to be an important part of school life. Following speeches and an excellent level of participation in the voting process, our new Student Representative Council has now been elected. The council will represent the views of students and play an active role in organising events, charitable activities, fundraising and the school prom. Congratulations to Dalika, Gangyeon, Maya, Melanie, Minseo, Mongkul, Narsha, Pattar, Sebastien, Yu E. and Yuthka. I look forward to working with them throughout the year.

Our House activities have also begun, including preparations for the Spelling Bee. It has been encouraging to see so many students becoming involved and supporting their Houses. These activities provide valuable opportunities for students to build confidence, work together and contribute to the wider life of the school.

This year, I am pleased that students have access to our most comprehensive programme of extracurricular activities to date. The programme includes a wide range of sporting, academic, creative and leadership opportunities, including Model United Nations.

Students have also been enjoying the school's new basketball court, which has already become a popular addition to the campus. Further improvements are planned as ISSR continues to invest in the facilities and learning environment available to our students.

Our theme for this year is "Excellence through consistency." I believe success comes from maintaining high standards every day: arriving on time, wearing our uniform with pride, being prepared for lessons, treating others respectfully and always trying to produce our best work.

We Are One. But We Are Many

THE AUGUST REVIEW

ISSR HIGH SCHOOL NEWSLETTER | END OF AUGUST 2026

REFERENCE NO.: ISSRHS/ISSUED:N001

WEEK 1: A WELCOME MESSAGE FROM THE PRINCIPAL

Punctuality is an important part of these expectations. Students should be on site by 7:40 a.m., ready for tutor time to begin at 7:50 a.m. Arriving on time allows students to begin the day calmly, receive important information and avoid missing valuable learning. I greatly appreciate the support of parents in helping students establish these positive habits.

As the year continues, my focus will remain firmly on providing an excellent education within a safe, supportive and welcoming environment. Academic achievement is extremely important, but so too are confidence, responsibility, kindness and a willingness to contribute positively to the community.

Thank you to our students, parents, teachers, administrative staff, operations team, cleaners, drivers and everyone else whose work has helped the year begin so successfully. A strong school is built through partnership, and I feel very fortunate to be part of such a committed community at ISSR.

WEEK 4: BUSINESS STUDENTS IN ACTION

Students are making fantastic progress in their business courses this year. Year 9 students have been learning how entrepreneurs turn problems into opportunities, evaluate ideas and consider the interests of different stakeholders. Year 11 students are building on earlier learning in operations management by comparing production processes and assessing how technology can improve efficiency. Year 13 students are developing their strategic thinking by examining how political, legal and wider external influences shape business decisions.

A particular highlight has been Year 10's Cambodian Entrepreneur project. After studying enterprise and the characteristics of successful entrepreneurs, students researched inspiring Cambodian business stories and transformed their findings into striking posters and confident group presentations. Their work demonstrates vision, initiative, creativity, resilience and calculated risk-taking, while the research, organisation and visual communication have been highly professional. This confidence and teamwork bode very well for their development as thoughtful and capable future business leaders.

CELEBRATING KHMER STUDENTS' ACHIEVEMENTS AND GRADE 12 EXAM SUCCESS

Warmest congratulations to all our Year 12 students on achieving a 100% pass rate in the Grade 12 Examination held on 10 August 2026. We are immensely proud of each and every one of you for your hard work, perseverance and dedication. This outstanding achievement is a testament to your commitment and determination throughout your studies.

We would also like to extend our sincere gratitude to our teachers for their unwavering guidance and support, and to all parents for their encouragement and partnership in helping our students reach this wonderful milestone.

Well done to everyone involved in this remarkable success.

We Are One. But We Are Many
